## PHILS BREAK HOODOO

Boston, April 26.—The Phillies scored ten runs this afternoon—within two as many as they had made during the preceding nine games this season. The Phillies presented Seaton, who has blazed a trail of runless games across the Eastern circuit, and there was no chance for Stallings's alleged batters to fit in anywhere except in the seventh inning, when he lost the location of the plate for a few minutes. In that inning he passed three men. Kirke singled, and Maranville's high fly to right field, being lost in the sun, was good for a two-base hit, and cleared the bases. Boston scored four in that inning, and that was the total for today. Score:

"The Choice of Men Who Know"

FOR immediate delivery, we announce the Second Series of the Lozier "LIGHT SIX." The First Series is sold and delivered—sixty days earlier than was anticipated. The demand for this Lozier at \$3250 has been unprecedented.

The "LIGHT SIX" has earned nation-wide popularity. The First Series has established a new sales record for high grade cars. Owners and dealers alike have declared it a masterpiece. Men who have owned many cars, and high-priced cars, say there never has been a car of such character, such mechanical finesse, as this "LIGHT SIX," at within a thousand dollars of the price.

Lozier dealers, themselves, named the "LIGHT SIX" a "self-seller." And the four months past have proved that it is. The demand for this Lozier at less than \$5000 is a factory capacity demand.

No more tangible proof of Lozier popularity and the admitted success of the new "LIGHT SIX" could be found than the persistence with which dealers all over the country, in large cities and small, are besieging the Sales Department for contracts and territory. The annual contracting period is now approaching and the Company tries to select its dealers just as carefully as it builds its cars.

WHEN this lighter model of the only American-built car which for eight years has commanded and still commands a price of \$5,000 was announced that announcement instantly became talk of the industry. But it remained for the car itself to create the real wonderment.

Six years of Lozier six-cylinder success have established the Lozier as the predominant Six. Six years of such tests as no other car ever endured have proved the superiority of Lozier six-cylinder construction—the superiority of Lozier strength and power and safety and endurance. In thousands of owners' hands Lozier has demonstrated its luxurious comfort. On every principal boulevard Lozier style is recognized at a glance.

And here, truly, was a *Lozier* for only \$3250. A Lozier in every line and every part—high powered—and with true Lozier strength, safety, comfort and workmanship and distinctive beauty.

The motor with 31/8 inch bore and 51/2 inch stroke, designed and built with all engineering excellence and mechanical precision that have made the Lozier famous for power and reserve energy, develops 62 actual horse power—power that pulls this car loaded through anything, over anything and with something left.

You will marvel at the completeness of this car, too. A more perfectly equipped car has never been produced. Everything you could ask for is on the car. Electric self-starter—electric lighting—Warner speedometer—windshield built into body, adjustable for ventilation and rain vision—silk mohair top, top cover, curtains quickly adjustable from seat, instantaneous locking tire carrier-clock-electric horn-trunk rack—everything that makes a car really complete. And remember, the Lozier "LIGHT SIX" has left-side drive, center control, a "stream line" body and many other advanced features, without which no high grade car should deserve your serious consideration.

There are five beautiful body types built on the "LIGHT SIX" chassis, offering a wide range of selection. Model Montclair, 5-passenger touring car, \$3250; Model Fairmount, roadster, \$3250; Model Touraine, 3-passenger coupe, \$3850; Model Coronado, six-passenger coupe, six-passenger coup ger limousine, \$4450; Model Metropolitan, 5-passenger limousine, \$4450.

Ride in the Lozier "LIGHT SIX" for thirty minutes and no one could say anything that would either increase or lessen your admiration of the car. You will know it is the easiest riding car you ever rode in. Not merely as easy riding as any other car but the easiest riding. You will know it has all the Loxier strength, or it would not bear the Loxier name. You will know it has all the mechanical precision and finesse of a Loxier, for it is a Loxier. You will know how flexible it is after you have felt it creep through crowded traffic at three miles per hour on high without choke or miss, then jump to fifty miles in the open, if you want it, without jerk or jar. You will know it is a perfect Six, because this is the sixth year of successful Loxier Sixes. You will know these things. And the fact that the Loxier Company has found a way to build and sell, such a car—a Loxier Six—for \$3250 will increase your Lozier Company has found a way to build and sell such a car-a Lozier Six-for \$3250 will increase your respect for Lozier efficiency.

Woodberry Is Defeated. [Special to The Times-Dispatch.]

Woodberry, Va., April 26.—Outplaying her old rival in every department of the game, the Episcopal High School defeated Woodberry here to-day. Woodberry's end of a 5 to 1 score was held down by reckless base-running. Kinsolving pitched a beautiful game for the visitors, and Hill, for Woodberry, with better support, would have shown up to advantage. With the exception of one slip, the High School's fielding was above criticism.
